

Publishing Quiz Attempt Grades to Gradebook

If attempts of quizzes have been made, but the grades have not posted to the gradebook, you can “Publish” the grades via the following process:

1. Click on the Quizzes button link from the navigation bar.

2. Select the Quiz desired from the quiz list, click the action icon arrow, and select “Grade” from the pull-down menu:

3. On the Grade Quiz screen:

- click the box (a) on the left side of the screen to select all of the students' overall grades (Note: make sure to select all student by setting the "# per page" to a number larger than the total number of student in your class, setting found near bottom right of this screen),
- click on "Published Feedback" (b)
- Then "Save and Close" (page bottom).

The screenshot shows the Grade Quiz interface. At the top, there is a 'View By:' dropdown set to 'User' and an 'Apply' button. Below this is a search bar with 'Search For...' and a magnifying glass icon, followed by a 'Show Search Options' link. A red arrow labeled 'a' points to a checkbox in the first column of the table. Another red arrow labeled 'b' points to the 'Publish Feedback' button, which is circled in red. The table has five columns: a selection column with checkboxes, a 'First Name ▲, Last Name' column, a 'Completed' column, a 'Score' column, and a 'Grade' column. The table contains two student entries: 'student jim' and 'Test Student2'. Each student has an 'attempt 1' row and an 'overall grade (highest attempt)' row. The 'overall grade' rows show a score of '5 / 4' and a grade of '125'.

<input type="checkbox"/>	First Name ▲, Last Name	Completed	Score	Grade
<input type="checkbox"/>	student jim			
<input type="checkbox"/>	attempt 1	Mar 30, 2020 5:19 PM	5 / 4	125
	overall grade (highest attempt)		5 / 4	125
<input type="checkbox"/>	Test Student2			
<input type="checkbox"/>	attempt 1	Jun 28, 2018 4:53 PM	5 / 4	125
	overall grade (highest attempt)		5 / 4	125

If this is successful, the grades should appear in the grade book with the grade item for the quiz or test.
